Other costs

Mr Baird has managed to negotiate a good rate for flights - \$99 return based on a booking for 10 or more. Fundraising efforts are nearly underway to assist with paying for as many students as possible wishing to attend. The aim is to raise a minimum of \$3000 – this will pay for quite a number of the students to attend for little or no cost apart from meals and incidentals!

Tickets

These will be made available soon. The balance of any fundraising money left over after paying for students flights and accommodation will be refunded to those students who have prepaid any of the seminar fees Please see me for any further details.

School Equipment

Martial Art Shoes

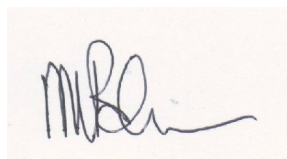

These are available for most sizes, - \$70 per pair, please see me.

Punch Bag

The blue punch bag has been repaired and will be relocated in the same position as before – it will be on a pulley system – and will be lowered for each class and hoisted up at the end. This use of this bag must be supervised by an adult student at all times.

If any students or parent/s have any concerns or questions about any aspect of the school, please feel free to contact me at any time.
